

Music In Motion

Dear Parent/Guardian,

Hello, my name is Trisha Fisher and I am the 5, 7-12 choir director in Vermillion. I am also the head director of show choirs in Vermillion. This letter is to inform you about your child's interest in show choir at the middle school. We are so excited to continue to grow Music in Motion for 7th/8th graders. Main points you need to know:

- There will be a \$50 fee to help cover our costs. Students will wear their Music In Motion t-shirt, tennis shoes, and jeans to all performances. If you send a check, please make it to: VERMILLION MUSIC BOOSTERS. We would like a check/cash by November 1st so we can get t-shirts ordered for our first performance. Full and partial scholarships will be available on an individual basis.
- Two rehearsals a week. Rehearsals will typically be Monday night at the High School & Thursday morning from 7:30-8:15 am at the Middle School. We will rehearse September through March. (see schedule for specific times and days)
 - We really rely on you, the parents, to help get the students to rehearsals. And to get them here on time. If you are having trouble figuring out a way to get them to the building they need, please email me and we can figure out if someone else goes in your direction and can help get your child to rehearsals/performances.
- Performances: this group will perform at Fall Show in November; it is the show choir's fundraising concert. Tickets will start being for sale in November, date TBA. This group will also be traveling to Sioux Falls and Omaha to compete in a Middle School show choir competition and they will also perform at our home competition February 28th, 2026.

Thank you for your interest in our show choir program,

Mrs. Fisher
Trisha.Fisher@k12.sd.us

To give your child permission, I am asking that you go to the choir website, click on Music in Motion and fill out the Google Form. This will allow us to get communication with you much faster, without as many mistakes! Thank you ☺
